All,

Attached is a working draft of an evidence and site control agreement for this matter. It is modeled after some others OSHA has used in prior cases, however, we will need to come up with some more precise definitional items, e.g., the exclusion zone in paragraph A.1.a and/or paragraph C.8.a (dealing with steps for evidence collection removal steps that are specific to this situation). Please look it over and let me know what changes, additions, etc. everyone would like to see. I will compile those into one agreement and send out for everyone's approval. Thanks...
